Workgroup & Committee Announcements and Future Meetings

MassNAELA Workgroups and Committees consist of dedicated volunteers who are hard at work year-round. These announcements highlight a few recent developments from some of our Workgroups and Committees and will change from week to week. If you are able to donate an hour of your time, our Workgroups and Committees would love to have your support. In addition, many of our volunteers have appreciated the knowledge and connections they have gained from being more active. Contact Clarence to find out how you can help.

- The Special Needs and Disability Workgroup is seeking writers, editors, and proofreaders for the 3rd Edition of MassNAELA's Special Needs and Disability Advocacy Toolkit. If you would like to be part of the team of MassNAELA volunteers that produces this publication for the public, please contact Clarence.
